

NAME Acrostic

An **acrostic** is a [poem](#) or other form of writing in which the first letter, syllable or word of each line, [paragraph](#) or other recurring feature in the text spells out a word or a message. For this assignment it will spell out your name. Write your first name in CAPITAL letters down the left hand side of an unlined piece of paper. For each letter write one characteristic that helps to describe who you are. Please do not use physical characteristics, such as tall, skinny, etc., but stick to characteristics that describe your personality.
